I. INTRODUCTION

1. This is a civil rights class action arising from unconstitutional and unlawful arrest and incarceration of approximately 150 people by the Oakland Police Department, Alameda County Sheriff's Department, and multiple agencies working in joint action and providing mutual aid under the direction of the Oakland Police, on November 5, 2010. That day, hundreds of people participated in a rally in downtown Oakland to protest the minimal sentence given former BART police officer Johannes Mehserle for his killing of unarmed passenger Oscar Grant. Following the rally some of the demonstrators decided to march toward Fruitvale BART. As evening fell, the Oakland Police and other law

1 enforcement agencies stopped the lawful First Amendment activity and forced the march
2 onto a side street where, without warning, demonstrators were trapped, detained,
3 prevented from dispersing, and arrested. The 150 class members were never ordered to
4 disperse or allowed the opportunity to disperse, and there was no probable cause or legal
5 basis to arrest them. Oakland and Alameda County proceeded to hold the class for an
6 excessive period of time in buses and vans, and then imprisoned them all in the Alameda
7 County Jail. The plaintiffs were incarcerated overnight, for up to 24 hours, in
8 overcrowded holding cells without cots or even room to lie on the floor, and subjected to
9 other unreasonable conditions of confinement. None of the class members were ever
10 charged.

11
12
13 2. The Oakland Police Department's actions, including the wrongful mass
14 arrest and imprisonment, violated multiple provisions of the Oakland Police Crowd
15 Management/ Crowd Control Policy that was entered into by stipulation of the parties and
16 order of the United States District Court in settlement of plaintiffs' claims for injunctive
17 relief in *Coles, et al. v. City of Oakland* and *Local 10, International Longshore and*
18 *Warehouse Union, et al. v. City of Oakland*, Nos. C03-2961 and 2962 TEH, on December
19 24, 2004. Plaintiffs further allege that the police and sheriff's department actions were
20 the result of unlawful and unconstitutional policies and practices of the City of Oakland,
21 the Oakland Police Department (OPD), and Alameda County and its Sheriff's Department
22 (ACSD).

23
24
25 3. OPD also violated the Crowd Management/ Crowd Control Policy with
26

1 unconstitutional and unlawful police misconduct at prior Oakland demonstrations
2 protesting the Oscar Grant killing, including during the period after the shooting in
3 January, 2009; and on July 8, 2010 (the day of the verdict in Mehserle's trial). On those
4 prior occasions, lawful political demonstrators were subjected to wrongful arrest and
5 excessive force, and to wrongful incarceration in the Alameda County Jail. The persons
6 arrested in conjunction with these prior demonstrations and other recent prior
7 demonstrations in Oakland suffered similar unreasonable conditions of confinement,
8 including being incarcerated overnight in overcrowded holding cells lacking sleeping
9 facilities.
10

11
12 4. The challenged OPD and ACSD misconduct create a substantial chilling
13 effect and deterrent to future First Amendment protected activity in Oakland. The named
14 plaintiffs, on behalf of a class of all those arrested in the November 5, 2010, mass arrest
15 in the vicinity of 6th Avenue between East 17th and 18th Streets, intend to participate in or
16 associate with peaceable protests and assemblies in the City of Oakland in the future.
17 They seek damages and declaratory and injunctive relief to restrain defendants from
18 continuing to violate plaintiffs' federal and state constitutional and statutory rights, the
19 protections for these rights in the Oakland Crowd Management/ Crowd Control Policy,
20 and from using false arrests, false imprisonment, unreasonable conditions of confinement,
21 and other unlawful actions to disrupt, interfere with and deter future demonstrations and
22 protest activities in the City of Oakland and Alameda County.
23
24
25

26 5. Defendants' actions deprived the plaintiff class of their right to freedom of
27

1 speech and association; the right to be free from unreasonable searches and seizures; the
2 right to equal protection of the laws and to due process of law; the right to be free from
3 the use of excessive and/or arbitrary force; and the right to privacy, all guaranteed by the
4 United States and California Constitutions, as well as additional state law claims relating
5 to the police actions complained of herein.
6

7 **II. JURISDICTION**

8
9 6. This action arises under 42 U.S.C. § 1983. Jurisdiction is based on 28
10 U.S.C. §§ 1331 and 1343. The court has supplemental jurisdiction over state law claims
11 under 28 U.S.C. § 1367.

12 7. Plaintiffs have filed administrative claims with the City of Oakland and
13 Alameda County in compliance with California Government Code sections 910 et seq.
14 The claims have been denied expressly or by operation of law.
15

16 **III. INTRADISTRICT ASSIGNMENT**

17 8. The claims alleged herein arose in the City of Oakland, State of California.
18 Therefore, venue and assignment lies in the United States District Court for the Northern
19 District of California, San Francisco Division or Oakland Division.
20

21 **IV. THE PARTIES**

22 **A. Plaintiffs**

23 9. DANIEL SPALDING is an adult education English as a Second Language
24 teacher, and resident of San Francisco, California, who volunteers as a National Lawyers

26

1 observer, was peaceably and lawfully observing the political demonstration in the vicinity
2 of 6th Avenue between East 17th and 18th Streets when, without notice or warning, police
3 surrounded him, closed off all avenues of exit, falsely detained and arrested him in the
4 absence of probable cause, and incarcerated him in the Alameda County Jail. Spalding
5 intends to engage in, and associate with, similar First Amendment activity in the future
6 but is concerned that he may be unlawfully prevented from doing so.

10 5, 2010, in the vicinity of 6th Avenue between East 17th and 18th Streets when, without
11 notice or warning, police surrounded her, closed off all avenues of exit, falsely detained
12 and arrested her in the absence of probable cause, and incarcerated her in the Alameda
13 County Jail. Loncke wants to engage in, and associate with, similar peaceable expressive
14 activity in the future but is concerned that she may again be unlawfully prevented from

6 avenues of exit, falsely detained and arrested him in the absence of probable cause, and
7 incarcerated him in the Alameda County Jail. He wants to engage in, and associate with,
8 similar peaceable expressive activity in the future but is concerned he may again be

15 official capacities.
16

17 19. Plaintiffs are ignorant of the true names and/or capacities of defendants
18 sued herein as DOES 1 through 250, inclusive, and therefore sue said defendants by such
19 fictitious names. Plaintiffs will amend this complaint to allege their true names and
20 capacities when ascertained. The Doe defendants include other government entities, as
21 well as individuals, who participated in the conduct complained of herein. Plaintiffs are
22 informed and believe and therefore allege that each of the Doe defendants is legally
23 responsible and liable for the incident, injuries and damages hereinafter set forth, and that
24 each of said defendants proximately caused said incidents, injuries and damages by
25 reason of their negligence, breach of duty, negligent supervision, management or control,
26

1 violation of constitutional and legal rights, or by reason of other personal, vicarious or
2 imputed negligence, fault, or breach of duty, whether severally or jointly, or whether

25 them, acted as the agent, servant, employee and/or in concert with each of said other
26 defendants.
27

V. CLASS ACTION ALLEGATIONS

24. Plaintiffs seek class certification pursuant to Fed.R.Civ.P. 23(a), and Fed.R.Civ.P. 23 (b)(2) and (3), to pursue claims for damages, injunctive and declaratory relief on behalf of themselves and all persons similarly situated. The proposed class consists of all persons who were arrested in the mass arrest that occurred on the evening of November 5, 2010, in the vicinity of 6th Avenue and East 17th Street, Oakland, California, and who were issued citations for violation of Penal Code section 408, but as of the date of filing this Complaint, never charged with any crime.

25. This case satisfies the prerequisites of a Rule 23(b)(2) and (3) class action.

26. The class is so numerous that joinder of all members is impracticable. Plaintiffs are informed and believe and thereon allege that approximately 150 persons were arrested. Plaintiffs do not know the identities of all of the arrestees.

27. The named plaintiffs' claims that their First, Fourth and Fourteenth Amendment rights and their state law and common law rights against false arrest and false imprisonment were violated raise common questions of law and fact.

28. By encircling and arresting all of the demonstrators, as well as observers, and bystanders who happened to be in the area, without probable cause or lawful justification, and without any warning or opportunity to disperse, defendants acted on grounds generally applicable to the class.

29. The claims of the named plaintiffs are typical of the claims of the class. The claims of the class members arise from the actions that resulted in damages to the

1 class representatives and are based on the same legal theories.

2 30. The representative plaintiffs will fairly and adequately protect the interests
3 of the class because they were subject to the unlawful law enforcement conduct
4 complained of herein, and have no interests antagonistic to other members of the class. In
5 addition, plaintiffs' counsel are experienced in litigating federal civil rights cases and
6 class actions.
7

8 31. The defendants have acted and refused to act on grounds generally
9 applicable to the class, and injunctive and declaratory relief for the class as a whole is
10 appropriate.
11

12 32. The prosecution of separate actions by individual members of the class
13 would create a risk of inconsistent or incompatible standards of conduct for the
14 defendants, thereby making a class action the superior method of adjudicating the
15 controversy.
16

17 VI. STATEMENT OF FACTS

18 33. On New Years Day, 2009, BART officer Johannes Mehserle shot Oscar
19 Grant, an unarmed transit user, in the back, killing him. The shocking murder was
20 captured on video and cell phone cameras by multiple witnesses and viewed by hundreds
21 of thousands of people on the internet. This lead to intense public outrage, including
22 demonstrations, and also engendered a diverse community-based "Justice for Oscar
23 Grant" movement seeking to end BART and Oakland Police violence and racial profiling.
24 More than 100 people were arrested in demonstrations during January, 2009, most of
25
26

1 whom had done nothing wrong and were never charged with any criminal activity, yet
2 were held in the Alameda County Jail for excessive periods of time.

3
4 34. On July 8, 2010, Johannes Mehserle was acquitted of murder and convicted
5 only of involuntary manslaughter. A large demonstration took place in downtown
6 Oakland. Police used force and threat of force against the lawful demonstrators, blocking
7 their path, beating people with batons, and again arresting many peaceable political
8 demonstrators. As had occurred in January, 2009, people of color bore the brunt of the
9 brutality, and many arrestees who had done nothing wrong, and were never charged with
10 any crime, were held for long periods of time under inhumane conditions in the Alameda
11 County Jail.
12

13
14 35. On November 5, 2010, Mehserle received a minimal sentence, prompting
15 another demonstration. The sentencing date was known well in advance and the Oakland
16 Police Department had planned for the event, calling in numerous outside agencies for
17 mutual aid. The November 5th demonstration was considerably smaller than prior Oscar
18 Grant demonstrations.
19

20
21 36. After a planned rally downtown, at about 6 pm, a smaller number of
22 demonstrators began marching southeast on 14th Street and then on 10th Street, toward the
23 Fruitvale BART station, where the Grant shooting had occurred.

24
25 37. On 10th Street between Oak Street and 2nd Avenue, the police erected a
26 police line, blocking the marchers' passage. Another police formation appeared to be
27 coming in from behind the march. The police did not give any orders or announcements

1 telling the marchers where to go or what to do. To avoid crossing the police lines, many
2 of the demonstrators were forced to go northeast through a park. Approximately 150
3 people ended up continuing their march southeast on International Boulevard. The police
4 then again erected police lines and forced the march to turn off International Boulevard
5 into a poorly lit residential area.

7 38. The Oakland Police and other law enforcement agencies forced and herded
8 the approximately 150 class members into the 1700 block of 6th Avenue and and erected
9 additional police lines, surrounding the class members with riot-clad officers displaying
10 guns and batons. The police used force and threat of force to prevent any of the
11 peaceable protestors from leaving the area.

13 39. Class members asked to be allowed to disperse, and asked to speak with a
14 commanding officer, but the police did not respond.

16 40. The area within the police lines became a detention zone within which
17 scores of demonstrators, as well as observers and bystanders, were thus seized and
18 arrested within the meaning of the Fourth Amendment to the Constitution without
19 probable cause.

21 41. After detaining the class members for about one and one-half hours on the
22 street, without making any announcements or giving any orders or information, at about
23 7:40 p.m. the police gave the following announcement:

25 ***“This has been declared a crime scene. If you are media we are asking***

1 *you to step out now or you will also be arrested. If you are with the press*
2 *you need to step out immediately or you will be arrested. This is declared*
3 *an unlawful assembly and you are all under arrest. This has been*
4 *declared a crime scene and you're all under arrest... a crime scene.*
5 *You're all under arrest.... Do not resist arrest. Obey the orders the*
6 *officers will give you and you will not be hurt."*
7

8
9 42. Daniel Spalding identified himself as a National Lawyers Guild legal
10 observer and asked to be allowed to leave, but was arrested. Other class members
11 including neighborhood residents and persons with medical conditions also asked to be
12 allowed to leave, but only news media personnel were allowed out of the containment.
13

14 43. After detaining the class members without probable cause or lawful
15 justification for approximately one and a half hours in the street in the growing cold and
16 darkness, defendants restrained each of the class members with plastic handcuffs, and
17 loaded them onto buses and vans.
18

19 44. Following the hour and a half seizure and detention on the street,
20 defendants held class members for many hours in buses with their hands handcuffed
21 behind their backs. While the class members were on the buses defendants denied them
22 access to toilet facilities. Many of the class members forced to urinate on the floor of the
23 bus where they were sitting or standing, in their clothing unless they were able to free
24 their hands in order to remove clothing. As a result, they suffered discomfort,
25
26

1 embarrassment and humiliation. Many of the class members also suffered pain,
2 discomfort and injury as a result of having their hands tied behind their backs for an
3 extended period of time and from overly tight plastic “flex-cuffs”. Defendants refused to
4 loosen or remove the handcuffs until the class members arrived at the jail and/or were
5 through the booking process, late that night or in the early morning.
6

7
8 45. The plaintiffs and almost all of the approximately 150 class members were
9 taken to Alameda County North County Jail. There, the women were ordered to submit to
10 a pregnancy test and ordered to urinate into a cup. If a class member tried to decline the
11 pregnancy test, she was threatened with being separated from the group and transferred to
12 Santa Rita Jail in Dublin, CA, where she would be held for a longer period of time. The
13 women class members were embarrassed and humiliated by the forced urination and
14 pregnancy testing.
15

16
17 46. A handful of class members were imprisoned at Alameda County Santa Rita
18 Jail rather than North County Jail.

19
20 47. All of the plaintiffs and class members incarcerated at North County Jail
21 were detained overnight in holding cells lacking cots or other sleeping surfaces, many of
22 which were so crowded that there was not even room for everyone to lie down on the
23 floor. The class members incarcerated at North County also lacked adequate sanitation,
24 food, water, medications, and medical care. They were subjected to physical and mental
25 abuse and to other inhumane and unreasonable conditions of confinement which caused
26

1 them to suffer pain, discomfort, distress, and injury.

2 48. Prior to being released from the Alameda County Jail, defendants
3 wrongfully forced some of the class members to provide buccal swab DNA samples.
4 This was done despite the fact that the custodial arrests were based on the allegation of a
5 non-violent misdemeanor: participating in an unlawful assembly. Similarly as with the
6 pregnancy tests, class members were threatened with extended incarceration at Santa Rita
7 if they refused to provide DNA.
8

9
10 49. All class members imprisoned at North County Jail were held there for
11 approximately 18-24 hours and then released with a citation for a single violation of Penal
12 Code section 408, participating in a rout or unlawful assembly. None of the class
13 members were ever charged with rout/ unlawful assembly, or any crime related to the
14 mass arrest.
15

16
17 50. In 2004, the Oakland Police Department adopted a comprehensive new
18 Crowd Management/ Crowd Control Policy, in settlement of plaintiffs' claims for
19 injunctive relief in *Coles, et al. v. City of Oakland* and *Local 10, International Longshore*
20 *and Warehouse Union, et al. v. City of Oakland*, Nos. C03-2961 and 2962 TEH, which
21 litigation arose from Oakland Police shootings of peaceful demonstrators and
22 longshoremen with wooden bullets and other "less lethal" projectiles during an antiwar
23 demonstration. The Policy was incorporated into the Stipulation and Order approving the
24 class settlement on December 24, 2004. The Policy was made into an OPD Training
25

1 Bulletin and all members of OPD were required to be trained on the Policy on an ongoing
2 basis.

3
4 51. The police actions on November 5, 2010, violated numerous provisions of
5 the OPD Crowd Management/ Crowd Control Policy, including, but not limited to, ¶ 8(F),
6 which specifies the requirements and procedure for declaring an unlawful assembly, and
7 when a mass arrest may be carried out pursuant to a valid unlawful assembly declaration:
8

9 ***F. When an unlawful assembly may be declared:***

10 1. *The definition of an unlawful assembly has been set forth in Penal*
11 *Code Section 407 and interpreted by court decisions. The terms*
12 *"boisterous" and "tumultuous" as written in Penal Code Section 407 have*
13 *been interpreted as "conduct that poses a clear and present danger of*
14 *imminent violence", or when the demonstration or crowd event is for the*
15 *purpose of committing a criminal act. The police may not disperse a*
16 *demonstration or crowd event before demonstrators have acted illegally or*
17 *before the demonstrators pose a clear and present danger of imminent*
18 *violence.*

19 2. *The mere failure to obtain a permit, such as a parade permit or*
20 *sound permit, is not a sufficient basis to declare an unlawful assembly.*
21 *There must be criminal activity, or a clear and present danger of imminent*
22 *violence.*

1 3. *The fact that some of the demonstrators or organizing groups have*
2 *engaged in violent or unlawful acts on prior occasions or demonstrations is*
3 *not grounds for declaring an assembly unlawful.*

4
5 4. *The police may not disperse a demonstration or crowd event without*
6 *first validly declaring it an unlawful assembly under state law.*

7
8 5. *Unless emergency circumstances prevent negotiation, crowd*
9 *dispersal techniques shall not be initiated until after attempts have been*
10 *made through contacts with the police liaisons and demonstration or crowd*
11 *event leaders to negotiate a resolution of the situation so that the unlawful*
12 *activity will cease and the First Amendment activity can continue.*

13
14 6. *If after a crowd disperses pursuant to a declaration of unlawful*
15 *assembly and subsequently participants assemble at a different geographic*
16 *location where the participants are engaged in non-violent and lawful First*
17 *Amendment activity, such an assembly cannot be dispersed unless it has*
18 *been determined that it is an unlawful assembly and the required official*
19 *declaration has been adequately given.*

20
21
22 **G. Declaration of unlawful assembly:**

23 1. *When the only violation present is unlawful assembly, the crowd*
24 *should be given an opportunity to disperse rather than face arrest. Crowd*
25 *dispersal techniques shall not be initiated until after there have been*
26

1 *repeated announcements to the crowd asking members of the crowd to*
2 *voluntarily disperse and informing them that if they do not disperse, they*
3 *will be subject to arrest. These announcements must be made using*
4 *adequate sound amplification equipment, and in a manner that will ensure*
5 *that they are audible over a sufficient area. Announcements must be made*
6 *from different locations when the demonstration is large and noisy. The*
7 *dispersal orders should be repeated after commencement of the dispersal*
8 *operation so that persons not present at the original broadcast will*
9 *understand that they must leave the area. The announcements shall also*
10 *specify adequate egress or escape routes. Whenever possible, a minimum*
11 *of two/escape/egress routes shall be identified and announced. It is the*
12 *responsibility of the on-scene OPD commanders to ensure that all such*
13 *announcements are made in such a way that they are clearly audible to the*
14 *crowd.*

15 2. *Unless there is an immediate risk to public safety, or significant*
16 *property damage is occurring, sufficient time will be allowed for a crowd to*
17 *comply with police commands before action is taken.*

18 3. *Dispersal orders should be given in English and in other languages*
19 *that are appropriate for the audience.*

20 4. *The Incident Commander should ensure that the name of the*

1 individual making the dispersal order and the date/time each order was
2 given is recorded.

3
4 5. Dispersal orders should not be given until officers are in position to
5 support/direct crowd movement.

6 6. Personnel shall use the following Departmental dispersal order:
7 I am (rank/name), a peace officer for the City of Oakland. I hereby declare
8 this to be an unlawful assembly, and in the name of the people of the State
9 of California, command all those assembled at _____ to
10 immediately leave. If you do not do so, you may be arrested or subject to
11 other police action. Section 409 of the Penal Code prohibits remaining
12 present at an unlawful assembly. If you remain in the area just described,
13 regardless of your purpose, you will be in violation of Section 409. The
14 following routes of dispersal are available (routes). You have _____
15 minutes to leave. If you refuse to move, you will be arrested.

16
17
18
19 When a command decision is made to employ crowd dispersal
20 techniques, attempts to obtain voluntary compliance through
21 announcements and attempts to obtain cooperation through negotiation
22 shall both be continued. At any point at which a crowd is dispersing,
23 whether as a reaction to police dispersal techniques, through voluntary
24 compliance or as a result of discussion or negotiation with crowd leaders,
25

1 *OPD dispersal techniques shall be suspended and the crowd shall be*
2 *allowed to disperse voluntarily. This does not preclude a command*
3 *decision by OPD to reinstate dispersal techniques if crowd compliance*
4 *ceases.*

6 **H.** *If negotiation and verbal announcements to disperse do not result in*
7 *voluntary movement of the crowd, then officers may employ additional*
8 *crowd dispersal techniques, but only after orders from the Incident*
9 *Commander or designated supervisory officials. The permissible*
10 *techniques to disperse or control a non-compliant crowd, include all of the*
11 *following as described and limited below, and not in any specific order of*
12 *use:*

- 15 1. *Display of police officers including motorcycles, police vehicles and*
16 *mobile field forces (forceful presence);*
- 18 2. *Encirclement of the crowd and multiple simultaneous arrest;*
- 19 3. *Police formations which advance towards the crowd to cause*
20 *movement of the crowd and the use of the baton;*
- 22 4. *Non aerosol crowd control chemical agents.*
- 23 5. *Sound and light diversionary and other distraction devices*
24 *(non-pellet) including those containing optional chemical agents.*

26 **I.** *All of these crowd dispersal techniques shall be used consistent with*

1 *the department policy of using the minimal police intervention needed to*
2 *address a crowd management or control issue.*

3
4 52. The OPD Crowd Management/ Crowd Control Policy instructs OPD
5 members that probable cause is required for each individual arrest. Section IX(A)(5)
6 instructs that “*Individuals may not be arrested based on their association with a crowd in*
7 *which unlawful activity has occurred. There must be probable cause for each individual*
8 *arrest. This means the officer must have objective facts based on his own knowledge, or*
9 *information given him by other officers, sufficient to believe that each specific individual*
10 *being arrested committed the offense. Thus, the only proper basis for a multiple*
11 *simultaneous arrest of all the individuals encircled at a demonstration is failure to*
12 *disperse (Pen. Code §409), where the dispersal was properly ordered based on the*
13 *existence of an unlawful assembly and adequate notice and opportunity to disperse has*
14 *been given.”*

15
16
17
18 53. The OPD Crowd Management/ Crowd Control Policy also makes clear to
19 OPD members that individuals arrested for misdemeanors, like the plaintiff class
20 members, are to be released with a citation, in compliance with California Penal Code
21 section 853.6, and not held in jail, unless one of the exceptions specified in the statute
22 applies. (¶ X.)

23
24
25 54. On information and belief, prior to and during this demonstration and the
26 prior Oscar Grant / Mehserle demonstrations, defendants gathered, maintained and

1 disseminated documents, information and intelligence concerning the demonstrations,
2 including, but not limited to, information about the constitutionally protected speech and
3 associational activities of individuals and organizations involved in the Justice for Oscar
4 Grant movement. Defendants' actions in gathering, maintaining and disseminating
5 documents, information and intelligence concerning the constitutionally protected speech
6 and associational activities of the plaintiff class was overbroad, unnecessary and
7 unjustified by any legitimate law enforcement purpose.
8

10 **VII. REQUISITES FOR RELIEF**

11 55. Plaintiffs are informed and believe that the violations of the plaintiffs'
12 constitutional and lawful rights complained of herein were caused by customs, policies,
13 directives, practices, acts and omissions of authorized policy makers of the defendants
14 CITY OF OAKLAND and ALAMEDA COUNTY, including defendants BATTIS,
15 AHERN and other supervisory officials of the OPD, the City of Oakland, and the
16 Alameda County Sheriff's Department, who encouraged, authorized, directed, condoned,
17 and ratified the unconstitutional and unlawful conduct complained of herein. Said
18 customs, policies and practices include, but are not limited to the use of mass arrests
19 without probable cause and pre-charging imprisonment under inhumane conditions to
20 disrupt and deter demonstrators and First Amendment protected activity; the failure to
21 maintain adequate policies, and to adequately train, supervise and control OPD officers
22 and Alameda County Sheriff's Deputies concerning the policing of demonstrations and
23

1 other expressive activities with respect to crowd control, crowd dispersal and the
2 constitutional and statutory limitations on arrests and imprisonment.

3
4 56. As a direct and proximate result of the conduct of defendants described
5 herein, the named individual plaintiffs have been denied their constitutional, statutory and
6 legal rights as stated below, and have suffered general and special damages, including but
7 not limited to, mental and emotional distress, physical injuries and bodily harm, pain,
8 fear, humiliation, embarrassment, discomfort, and anxiety and other damages in an
9 amount according to proof.
10

11 57. Defendants' acts were willful, wanton, malicious and oppressive and done
12 with conscious disregard and deliberate indifference for plaintiffs' rights.
13

14 58. Defendants' policies, practices, customs, conduct and acts alleged herein
15 have resulted and will continue to result in irreparable injury to plaintiffs, including but
16 not limited to violations of their constitutional and statutory rights. Plaintiffs have no
17 plain, adequate or complete remedy at law to address the wrongs described herein. The
18 plaintiffs and class members intend in the future to exercise their constitutional rights of
19 freedom of speech and association by engaging in demonstrations and expressive
20 activities in the City of Oakland and Alameda County. Defendants' conduct described
21 herein has created fear, anxiety and uncertainty among plaintiffs with respect to their
22 exercise now and in the future of these constitutional rights. Plaintiffs therefore seek
23 injunctive relief from this court, to ensure that plaintiffs and persons similarly situated
24
25
26

1 will not suffer violations of their rights from defendants' illegal and unconstitutional
2 policies, customs and practices as described herein. Plaintiffs also seek injunctive relief
3 in the form of an order requiring that defendants seal and destroy any records derived
4 from plaintiffs' arrests, including fingerprints, photographs, and other identification and
5 descriptive information, and all information, and biological samples and information
6 obtained from such biological samples collected from the plaintiff class, and identify to
7 the plaintiff class all entities and agencies to which such information has been
8 disseminated; and that all such disseminated records be collected and destroyed.

11 59. An actual controversy exists between plaintiffs and defendants in that
12 plaintiffs contend that the policies, practices and conduct of defendants alleged herein are
13 unlawful and unconstitutional, whereas plaintiffs are informed and believe that
14 defendants contend that said policies, practices and conduct are lawful and constitutional.
15 Plaintiffs seek a declaration of rights with respect to this controversy.
