Pete-

Hope all is well,

Has your fusion center written any products on the Occupy Movement ?
If so can you forward, so we can take a look at what is happening around the country. We are dealing with them in a big way in DC.

Have a nice holiday next week,

Thanks again,
Mark

Mark,

Good to hear from you. Sorry for the slow response as I am in a conference this week and trying to get to my emails as soon as I can.

The DIAC has not produced any products relating to the "Occupy Movement". A sitrep was set out last week as an awareness to our partners because there was a planned march through Delaware. This was a simple email and not a product. Our fusion center has distanced itself from the movement because of 1st Amendment rights and because we have not seen any criminal activity to date.

Thank you for reaching out. Hope all is well. I still need to get with Roger and stop by your center in the near future.

R,

Todd

Hey Mark, how's it going? The Ravens are doing well this year, good team. You're not a skins fan?!

No we haven't had to do any products here. We have a group of them here camped out, mostly fringe people. But no major issues beyond messing up the park they are in. We are located in downtown, right near them. They are working on evicting them, taking too long IMO.
