15 September 2011

**(U//LES) "Day of Rage" Activities Planned Nationwide on 17 September 2011**

(U//LES) Various online communities and groups have dubbed 17 September 2011 as the 'US Day of Rage' and are planning organized protests and assemblies throughout the United States.

b7E

(U//LES) Referencing the demonstrations of the 2011 Arab Spring events, the 'US Day of Rage' desires to mimic the revolutionary wave of demonstrations and protests which have occurred in the Arab world. The overall goal of the 'US Day of Rage' protests is to conduct unorganized protests in major metropolitan areas with special attention on banking and financial institutions.

(U//LES) Two prominent communities, 'US Day of Rage' and 'Occupy Wall Street', are at the forefront of organizing the events.

- (U//LES) The group 'US Day of Rage' (<http://www.usdayofrage.org>) is calling for "state and national non-violent protests and assemblies of people to demand that integrity be brought back to our [American] elections". While 'US Day of Rage' does not condone the use of violence during the events, their website provides activists with information and training on "direct action, civil disobedience, how to deal with violence, and jailhouse solidarity", suggesting that violence and/or illegal activity is expected by event organizers.<sup>1</sup>

(U) Law Enforcement Sensitive: This information is the property of the FBI and may be distributed to state, tribal, or local government law enforcement officials with a need-to-know. Further distribution without FBI authorization is prohibited. Precautions should be taken to ensure this information is stored and/or destroyed in a manner that precludes unauthorized access.

(U) Warning: This is an information report, not finally evaluated intelligence. It is being shared for informational purposes but has not been fully evaluated, integrated with other information, interpreted, or analyzed. Receiving agencies are cautioned not to take actions based solely on this raw reporting unless the information is independently verified. A presumption of innocence still exists for any person being reported on in this report.

- (U//LES) In July 2011, Adbusters, a self-identified American revolutionary anarchist group, advocated a "take over" of Wall Street in New York City on 17 September 2011. The group 'Occupy Wall Street' (<https://occupywallstreet.org>) is an online social networking offshoot of the declaration by Adbusters. 'Occupy Wall Street' is calling for "20,000 people to flood into Manhattan, set up tents, kitchens, and barricades to occupy Wall Street for a few months."<sup>2</sup> Their primary motivation is to demonstrate against the perceived "greed and corruption" of the US banking and financial sector.<sup>3</sup> In their July 2011 declaration, Adbusters initially intended for the event to occur in New York City only; however, as the movement escalated in popularity over the summer months, unorganized direct action demonstrations are being planned for locations throughout the United States on 17 September 2011. Like 'US Day of Rage,' the group 'Occupy Wall Street' does not openly condone violence or illegal activities; however, their website offers information on "dealing with first responders, chaotic protesting" and suggested that protesters bring "billy clubs and taser guns."<sup>4</sup>

(U//LES) 'US Day of Rage' has events planned on 17 September 2011 in multiple US cities, including protests in New York City; Austin, TX; and Charlotte, NC; however, specific details of these protests are currently unknown.<sup>5</sup> While 'US Day of Rage' does not condone the use of violence during the events, their website provides activists with information and training on "direct action, civil disobedience, how to deal with violence, and jailhouse solidarity," suggesting that violence and/or illegal activity is expected by event organizers.<sup>6</sup>

(U//LES) It should be noted that the 'US Day of Rage' website indicates a protest may occur at the Indiana State Capital building; however, no date is associated with the protest. Furthermore, according to their website, 'US Day of Rage' has planned additional protests for 1 October 2011, 6 October 2011, and 15 October 2011 in cities throughout the United States. Again, no date is associated with the Indiana protest.

## DOMESTIC SECURITY ALLIANCE COUNCIL

### DSAC Liaison Information Report (LIR)

DSAC LIRs are issued to convey timely, actionable information that has undergone some vetting, but is not a completely refined product. DSAC LIRs are prepared by FBI and DHS and are intended for corporate security officers.

**(U) The purpose of this DSAC LIR is to raise awareness concerning this type of criminal activity. Recipients should immediately report any suspicious or criminal activities potentially related to these events to their local FBI field or law enforcement office.**

**9 December 2011**

#### **(U) Protesters Plan to Shut Down Ports on West Coast**

(U) Occupy Wall Street (OWS) groups are advocating a collaborative effort to shutdown major ports on the west coast on 12 December 2011. Occupy groups that plan to participate in the coordinated shutdown include OWS groups located in Los Angeles, San Diego, Houston, Portland, Tacoma, Seattle, Oakland, and Vancouver. According to an OWS spokesperson, smaller cities plan to direct their supporters to these ports. The potential impacts of the port shutdowns include transit delays, blocked roads, commercial disruptions, and possible violence.

(U) In November 2011, the Occupy Wall Street (OWS) Movement targeted the ports in Oakland. During this protest, it was reported that thousands of Occupy supporters gathered at the Port of Oakland disrupting evening operations at the port. Protesters used metal chains and human body chains in an attempt to prevent longshoremen and truckers from entering and exiting the port. A few incidents of violence were reported by the Oakland Police Department; however, reported violence was not between the protestors and the drivers or longshoremen. Despite their large numbers, protestors were only able to partially shut down the port by delaying the arrival and/or departure of a handful of ships.

(U//FOUO) The Port of Anchorage has determined the following: The International Longshore Workers Union and the Anchorage Independent Longshore Union have advised the OWS Movement that they will not support any disruption to the Port. According to information on the OWS Movement website, the plan is to meet for a lunch time BBQ on 12 December 2011 and then march at 1300 from around 6th and C heading to the Port. Representatives of the OWS Movement have stated that they want a peaceful protest of the Port. Additionally, representatives of the Port of Anchorage stated there is no pedestrian access to the Port and sidewalk access ends just after the A Street Bridge.

(U) **Handling Notice:** Recipients are reminded that DSAC LIRs contain sensitive information meant for use primarily within the corporate security community. Such messages shall not be released in either written or oral form to the media, the general public, or other personnel who do not have a valid need-to-know without prior approval from an authorized FBI official.

Comments and queries may be addressed to DSAC at [dsac@ic.fbi.gov](mailto:dsac@ic.fbi.gov).

**UNCLASSIFIED // FOR OFFICIAL USE ONLY**

The Anchorage Police Department (APD) added that there will be no uniformed APD presence unless the situation escalates.

(U//FOUO) In regards to the 12 December 2011 planned protest, the Naval Criminal Investigative Service (NCIS) has stated that the actions of the OWS Movement may or may not be coordinated with organized labor actions at the affected ports and presently, there are no indications that protesters plan to use violence against people entering or leaving ports, but advise personnel reporting for duty there to remain alert to the possibility of civil disturbances that might lead to conflict between protesters and law enforcement, and to avoid becoming involved in such conflicts.

(U//FOUO) U.S. Immigrations and Customs Enforcement (ICE) has responded to the pending port shutdowns in their areas of responsibilities as follows: ICE San Diego is coordinating with U.S. Customs and Border Protection (CBP). They do not plan to assist with any law enforcement operations unless requested. ICE Seattle is in contact with the U.S. Coast Guard and has a Port of Seattle police officer assigned to the Border Enforcement Security Task Force (BEST) in Seattle. They will continue to monitor the situation but do not have an active role at this time.

(U//FOUO) ICE San Francisco has undertaken the following proactive measures: They are coordinating with CBP and the U.S. Coast Guard to ensure security, safety and the continuity of operations. They are also partnering with local law enforcement agencies. It is important to note that local law enforcement agencies have limited cooperation with ICE/ Homeland Security Investigations (HSI) due to sanctuary policies enacted by local governments. Finally, ICE San Francisco will ensure that the San Francisco (BEST) and all local agents are alerted to the possibility of a shutdown. Assistance from the Department of Homeland Security (DHS) is available if requested.

(U//FOUO) Basic security for the Port of Oakland remains the responsibility of local law enforcement agencies and not ICE/HSI; however, ICE/HSI is prepared to respond and offer assistance to local law enforcement, consistent with their training and authorities.

(U) Tips for reducing vulnerability in the event of civil unrest.<sup>1</sup>

(U) Civil unrest can range in form from small, organized rallies to large-scale demonstrations and rioting. People may be harmed by being in the wrong place at the wrong time. Following are suggested safety tips.

- Avoid all large gatherings related to civil issues. Even seemingly peaceful rallies can spur violent activity or be met with resistance by security forces. Bystanders may be arrested or harmed by security forces using water cannons, tear gas or other measures to control crowds.
- Maintain a low profile by avoiding demonstration areas and discussions of the issues at hand, and by dressing conservatively.
- If violence erupts or is imminent, leave the area as quickly as possible. If you cannot leave the area, seek shelter in large, public buildings such as hotels,

Such messages shall not be released in either written or oral form to the media, the general public, or other personnel who do not have a valid need-to-know without prior approval from an authorized FBI official.

churches, hospitals and museums. Wait until the crowds have dissipated before going back outside.

- If you know of an event ahead of time, plan pedestrian and vehicular routes that avoid the affected areas. Road closures and traffic delays are possible. Give yourself extra time to travel.
- If curfews are imposed, strictly observe regulations and monitor the media for immediate updates to the situation.
- Severe civil unrest can significantly disrupt businesses, industries and services. If you must travel during unrest ensure that hotels and businesses will be open, services will be available and transportation will be running. Confirm all meetings and reservations.

Basic security for the Port of Oakland remains the responsibility of local law enforcement agencies and not ICE/HSI. However, the SAC San Francisco is prepared to respond and offer assistance to local law enforcement consistent with our training and authorities

(U) DSAC members with further information regarding this or similar incidents should contact their local field office or the DSAC Program Office at [dsac@ic.fbi.gov](mailto:dsac@ic.fbi.gov).

C. (U) PROTESTORS TEMPORARILY SHUT DOWN PORT OF OAKLAND, CA.  
THOUSANDS OF PROTESTORS FLOODED DOWNTOWN OAKLAND, CA, ON 2  
NOVEMBER  
2011 TO PARTICIPATE IN A GENERAL STRIKE CALLED BY THE OCCUPY  
OAKLAND MOVEMENT TO PROTEST ECONOMIC INEQUALITY AND CORPORATE

GREED. THE PROTESTORS MARCHED IN FORCE TO THE PORT OF OAKLAND, THE  
NATION'S FIFTH-BUSIEST SHIPPING PORT, WITH THE INTENTION OF  
DISRUPTING PORT OPERATIONS. POLICE ESTIMATED NEARLY 7,000 PEOPLE  
CLOGGED THE MAIN PORT ENTRANCE ON MIDDLE HARBOR ROAD AND AT SEVEN  
OTHER GATES, CHANTING SLOGANS AND HALTING ALL TRUCK TRAFFIC IN AND  
OUT OF THE PORT. RUMORS HAD SPREAD THROUGHOUT THE CROWD THAT  
MANY  
PORT WORKERS FAILED TO ARRIVE FOR THEIR MORNING SHIFTS.

(U) ABOUT 40 OUT OF 325 PORT WORKERS DID NOT REPORT FOR THE DAY  
SHIFT ON 2 NOVEMBER, ACCORDING TO THE UNION REPRESENTING THE PORT

WORKERS, WHICH DID NOT AUTHORIZE A STRIKE. PORT OFFICIALS STRESSED

PAGE 07 RUCOWCA0519 UNCLAS ~~FOUO~~  
THAT ALL SEVEN MARITIME TERMINALS WERE CONDUCTING NORMAL  
OPERATIONS

DURING THE DAY. DOZENS OF PROTESTORS CLIMBED UP ON IDLED TRUCKS WAVING SIGNS AND YELLING SLOGANS. THE FEW POLICE WHO MONITORED THE

SITUATION KEPT A CONSIDERABLE DISTANCE. THE PORT OF OAKLAND SHUT DOWN AT 1815 WHEN THE PORT EXECUTIVE DIRECTOR DECIDED THE LARGE NUMBER OF PROTESTERS POSED A DANGER TO THE SEVERAL HUNDRED WORKERS

STILL INSIDE THE PORT. (SFGATE, 03 NOV 11), (NEW YORK TIMES, 03 NOV 11), OAKLAND TRIBUNE, 02 NOV 11).

-  
(U//~~FOUO~~) ANALYST COMMENT: THE PROTESTORS, ACTIONS SHUT DOWN THE

PORT OF OAKLAND FOR MORE THAN 14 HOURS. IF THIS MOVEMENT WERE TO SPREAD TO THE PORT OF LONG BEACH, THE SECOND BUSIEST PORT IN THE UNITED STATES, THE DISRUPTION OF PORT OPERATIONS RESULTING IN CARGO

REACHING THEIR REQUIRED DESTINATIONS LATE COULD HAVE MUCH MORE

SERIOUS EFFECTS ON THE SUPPLY CHAIN NETWORK IN THE UNITED STATES.

Title: CAMPUS LIAISON PROGRAM;  
Liaison Matters

Synopsis: To document dissemination and claim appropriate statistical accomplishments.

Details: On 10/24/2011 writer disseminated two intelligence products from the Campus Liaison Program to sixteen (16) different campus police officials. The information described the animal rights extremist website NEGOTIATION IS OVER and the call therein for violent action against undergraduate and graduate students studying the life sciences.

[REDACTED] SUNY-Oswego contacted writer to request information regarding the OCCUPY WALL STREET protests. [REDACTED] advised that a small group of OCCUPY WALL STREET protesters had established an encampment on the grounds of SUNY-Oswego. That group is primarily comprised of students, but also occasionally includes professors. The group has been camping in tents and demonstrating peacefully. [REDACTED] asked whether any other campuses were experiencing the same encampments, and wanted to know whether the FBI knew when these protests were scheduled to end. Writer contacted FBIHQ CLI IA [REDACTED] to pass along the request for information. [REDACTED] has a scheduled meeting with the OCCUPY WALL STREET protesters on Thursday, October 27, 2011. Writer advised [REDACTED] that no further information was currently available regarding OCCUPY WALL STREET and there were no visible trends of such activities on college campuses.

[REDACTED] also advised that another unrelated group appeared on campus, apparently trying to 'latch on' to the existing OCCUPY WALL STREET protesters. The unrelated group was from a religions/evangelistic group known as LIVING WATERS. They had an anti-abortion campaign entitled "180" and demonstrated on campus. Members of the LIVING WATERS protest group were not cooperative with campus public safety officials and repeatedly disregarded the stated rules for protesting. Accordingly, because they were unruly and causing problems with the operation of the school, members of the LIVING WATERS protest were escorted off of the SUNY-Oswego property by public safety officers.

On 10/26/2011 writer disseminated the intelligence products to six (6) additional campus police officials.

Several campus law enforcement officials contacted writer to discuss the information and to arrange for later meetings.

(U//FOUO) On 11/27/2011, [redacted] received an email from [redacted] regarding the Occupy the Port movement on 12/12/2011. [redacted] wrote that he came across the following while perusing various internet sites and the below are excerpts from his email (the actual email and other documents provided by [redacted] have been attached as enclosures to this EC):

b6  
b7c

"Occupy the Port: December 12th. Today our General Assembly approved a proposal to begin working on standing in solidarity with Occupy Oakland's call to shut down all ports on the west coast on December 12th, in response to the nationwide coordinated crackdown on the Occupy movement, and attacks on workers and worker's rights everywhere. We need to hit the 1% where it hurts: their wallets. The economy is run by the 99%, yet benefits mainly the 1%. We need to send a message: we are willing to risk our personal well-being for social justice, and the system ignores us at its own peril.

The Anchorage port is an especially powerful symbol of corrupt politics. Having spent billions of dollars on our port, former Governor Sheffield has been unable to deliver corresponding value, and yet we continue to pour money into what has become a black hole of corruption and incompetence."

(U//FOUO) [redacted] main concern is the safety of the personnel at the Port and the amount of disruption a movement such as this one could have on the Port's daily operations. [redacted] stated the movement being scheduled for the 12th is somewhat of a positive for the Port because the 12th is a Monday and it is between normal ship days which are Sunday and Tuesday. Therefore, the movement should have a minimal impact on the Port's operations.

b6  
b7c

(U//FOUO) [redacted] previously consulted with the Anchorage Municipal Manager and obtained his approval to attend a meeting scheduled for 11/30/2011 to plan the Occupy the Port movement. [redacted] stated he intended to go and be a fly on the wall and not disclose his affiliation with the Port, in hopes of identifying how significant of a threat this movement may be to the safety and operations at the Port.

(U//FOUO) [redacted] asked the agents if they thought it would be okay for him to attend this meeting. [redacted] was informed that as long as he felt comfortable and there was no threat of harm to him, the agents did not see any concerns with

him attending. [REDACTED] was informed that his attendance would be on behalf of the Port and at the direction of his leadership because the FBI could not direct or ask him to attend this meeting. [REDACTED] stated that he understood this and his attendance would be on behalf of the Port.

(U//FOUO) [REDACTED] was advised that it would be a good idea to reach out to the Anchorage Police Department (APD) and make them aware of his concerns. [REDACTED] was informed that he may also want to request the presence of an APD officer during the event to help deter any potential issues. [REDACTED] was made aware and understood that due to the first amendment rights the FBI could not make an attempt to identify who made the initial facebook posting organizing the Occupy the Port movement. [REDACTED] was informed that if any specific threats were made, he should definitely notify the FBI because this would go beyond someone exercising their rights of freedom of speech.

b6  
b7C

(U//FOUO) SA [REDACTED] told [REDACTED] that he would notify the JTTF of the movement for their situational awareness and he would provide [REDACTED] with a point of contact at APD who may better be able to assist [REDACTED] with any civil disturbance concerns.

**Synopsis:** To report incident.

**Details:** During the early morning hours of October 23, 2011 officers from the Portland Police Department responded to a "chemical bomb" call at Lincoln Park, 79 Pearl Street, Portland, ME which is home to the Occupy Maine movement. (Note: Occupy Maine is an off-shoot of the Occupy Wall Street movement started in September 2011). Several witnesses at the scene described this incident as leading up to the event; on 10/23/2011, approximately 2am a four door sedan was observed driving northbound on Pearl Street and sounded its horn excessively. A few minutes later the same vehicle was observed driving past the encampment with its passenger yelling "Get a job". A few individuals observed the vehicle drive by the encampment several more times. No one was able to observe the license plate.

At approximately 4am, possibly the same vehicle was observed driving by the encampment, however, this time several individuals heard a can or bottle hit the ground in close proximity to where they were seated. It sounded like a shot gun going off. After the explosion a large amount of smoke was observed coming from the area. No individuals were harmed. The smoke had irritated the throats of a few individuals. The crime

scene was processed and the device found was determined to be a "chemical bomb", which refers to a homemade device contained in a plastic bottle holding Drano and tinfoil, pressure builds in the bottle which causes the bottle to explode.

To date, no suspects have been developed and no other incidents have been reported. This information is being provided for informational purposes.

**Details:** On November 16, 2011, IA [REDACTED] and FA [REDACTED] attended a Bank Security Group meeting located at the Peoples Bank in Biloxi, Mississippi. The meeting consists of approximately 25 individuals representing other financial institutions and other law enforcement agencies, such as Bancorp South Bank, Hancock Bank, Peoples Bank, Regions Bank, Keesler Federal Credit Union, Mississippi State Auditors Office, and Biloxi Police Department.

Topics pertaining to financial schemes were discussed during the meeting and information was shared within the banking community on numerous individuals involved in fraudulent financial activities. A fraud alert was revealed by Hancock Bank Security [REDACTED] regarding an "Occupy Wall Street" type protest to lock down banks. The group announced that December 7, 2011 will be known as "National Bad Bank Sit-In-Day". The group has few followers on their Facebook page; however, they are attempting to organize a group to utilize either a "sit-in method" or "u-locks" to lock the bank doors from the outside.

IA [REDACTED] also briefed the working group of an ongoing counterfeit check scheme operating on the Gulf Coast. IA [REDACTED]

Synopsis of Complaint:  
Alleged threats to upcoming protest (October 15, 2011).

**SENSITIVE INVESTIGATIVE MATTER**

A "Sensitive Investigative Matter" (SIM) relates to investigative activities where the nature of the person or group being assessed should be brought to the attention of FBI Headquarters and other DOJ officials. Once the box is checked, follow the prompts on the form to provide additional details regarding the SIM.

☐ Sensitive Investigative Matter

Details of the Complaint:

Complainant is planning a peaceful protest with a group of people with similar issues of the Occupy Wall Street protests. One of the members of the group found a website ([www.ar15.com/forums/t\\_8\\_10/465172\\_hippies\\_want\\_to\\_occupy\\_daytona\\_beach.html](http://www.ar15.com/forums/t_8_10/465172_hippies_want_to_occupy_daytona_beach.html)) that they find threatening to their protest. Complainant is concerned for the safety of the protesters. The group plans on holding the peaceful protest on October 15th, 2011 in Daytona Beach but is not sure of the exact location.

Complainant is concerned about reporting the matter to the local police as well due to their reputation. Complainant does not want them to interfere with the protest.

**Synopsis:** To document a briefing provided to Jacksonville Executive Management (EM) on 11 October 2011 regarding the spread of Occupy Wall Street.

**Details:** This electronic communication (EC) documents a briefing regarding the spread of the Occupy Wall Street Movement. On 10 October 2011, writer provided an email via UNET identifying past and upcoming meetings in the Jacksonville Area of Responsibility regarding the emergence of Occupy chapters in and around the North Florida area to SSA [REDACTED] the Counterterrorism Program Coordinator. Writer recommended SSA [REDACTED] consider establishing tripwires with the Occupy event coordinators regarding their observance of actions or comments indicating violent tendencies by attendees.

During the 11 October 2011 intelligence meeting, writer advised EM of the Occupy venues and further advised they may provide an outlet for a lone offender exploiting the movement for reasons associated with general government dissatisfaction. Particularly, in the Daytona, Gainesville, and Ocala Resident Agency territories as portions of these territories were considered Central Florida where some of the highest unemployment rates in Florida continue to exist. Writer also informed EM this movement was spreading throughout Florida and there were several Facebook pages dedicated to specific chapters based on geographical areas.

On 13 October 2011, writer sent via email an excerpt from the daily [REDACTED] regarding FBI Houston's [REDACTED] to all IAs, SSRAs and SSA [REDACTED]. This [REDACTED] identified the exploitation

Details: On 10-19-2011, SA [REDACTED] met with Los Angeles County Sheriffs (LASD) Lieutenant [REDACTED] is part of the LASD Transit Security Bureau (TSB.) [REDACTED] office is located in the Metropolitan Transit Authority (MTA) headquarters, One Gateway Plaza, Los Angeles, CA 90012.

[REDACTED] stated transit related crime in Los Angeles County has gone up recently. Most of the crime involves minor theft and vandalism, but the number of robberies, assaults and other violent crimes have also risen.

[REDACTED] blames the rising crime rate on mostly economic factors. In tough economic times, many shelters and care facilities for mentally ill individuals and drug users either close or have to turn people away. The aforementioned people account for a large percentage of the transit crime in the County of Los Angeles.

[REDACTED] also mentioned the number of assaults on Transit Security Bureau Deputies has gone up to around five or six a month. According to [REDACTED] the reasons for this are the above mentioned factors and the recent news stories regarding the

Title: FEDERAL RESERVE BANK  
RICHMOND, VIRGINIA

Synopsis: To claim statistical accomplishment.

Details: On 10/04/11, TFO [REDACTED] was contacted by the Assistant Vice President Law Enforcement Unit, [REDACTED] of the Federal Reserve Law Enforcement unit, to pass on information regarding the movement known as occupy Wall Street. This movement has been known to be peaceful but demonstrations across the United States show that other groups have joined in such as Day Of Rage and the October2011 Movement.

Contact with [REDACTED] continued on October 05, 07, 14, and 15 to pass on updates of the events and decisions made during the small rallies and the following information received from the Capital Police Intelligence Unit through JTTF, TFO [REDACTED]

The October2011 Movement is planning an occupation and nonviolent resistance actions in Washington, DC starting on October 6, 2011. This date marks the 10-year anniversary of the U.S. war in Afghanistan and the first week of the new federal budget which provides unlimited funding for war, tax breaks for the wealthy and austerity for human services.

Thousands of people have pledged to gather in Freedom Plaza beginning on that day to non violently disrupt the disloyal, incompetent, and corrupt special interests which have usurped our nation's civil and military power, spawning a host of threats to our liberty, lives and national security.

The October2011 Movement protests corporatism and militarism because they prevent solutions to our current crises which would create a more peaceful, just, and sustainable world from being implemented. Instead concentrated corporate interests rule our elections and political process so that wealth continues to be funneled to the top 1%.

US Day of Rage is calling for free and fair elections, not elections manipulated by the economic elite, special interests, or corporate media, where choices are limited to bought candidates and two corrupt parties. US Day of Rage is organizing with OccupyWallStreet to create a tent city in the financial district of New York beginning on September 17. October2011 and OccupyWallStreet have endorsed each others' actions.

Legitimate government is born of the people expressed by its citizens in free and fair elections. It does not spring from a tyranny of special interests, crony capitalism, or a system or ideology that runs counter to the aims of life.

Free and fair elections inspire good citizenship and public service, because they engage the intelligence and genuine good will of the American people. They produce the kind of stewardship our nation desperately needs, because they ensure that citizens can influence their destiny, and make genuine contributions to society unlike our present system where the government moves in directions the majority of Americans oppose putting the profits of campaign donors ahead of the wishes of the American people.

Free and fair elections are steps towards re-mediating the myriad ills and abuses of a corrupt and illegitimate government, which preys on the resources and spirits of citizens, and violates rights of the other peoples and nations.

The October2011 Movement and US Day of Rage know that abuses of the people and planet will end when we take unified and persistent action. We stand in solidarity with each other and with the growing nonviolent movements around the nation and world to call for democratization of our society.

They are also trying to mobilize at every Federal institution in each State. At this moment the group seems very minimal for Virginia, and my friends in Florida.

Contact continued until after the set date of 10/15/11. Occupy Richmond is still camped peacefully at Kanawa Plaza, across from the Federal Reserve.

## FEDERAL BUREAU OF INVESTIGATION SITUATIONAL INFORMATION REPORT

### Potential Criminal Activity Alert

Richmond Division

13 October 2011

### **(U//FOUO) Occupy Richmond: Potential for Cyber Criminal Activity Surrounding 15 October 2011 Rally**

(U) FBI Richmond is releasing this Situational Information Report to raise law enforcement and public safety officials' awareness of possible cyber criminal activity surrounding the 'Occupy Richmond' demonstration to be held on 15 October 2011 in and around Kanawha Plaza (located at the intersection of S. 8<sup>th</sup> St. & E. Cary St.), Richmond, Virginia.

(U) Open sources report that Occupy Richmond is a grass-roots movement that is a spin-off from the 'Occupy Wall Street' protests that began in New York City last month. As of 12 October 2011, the Occupy Richmond Facebook group had over 4,500 'likes'<sup>1</sup> and the Occupy Richmond Twitter feed had over 1,500 followers.<sup>2</sup> The wider Occupy Wall Street or 'Occupy Together' protests are somewhat disorganized and primarily composed of college students. Rallies and protests have been held across the nation. Within Virginia, open sources indicate associated groups of varying levels of organization exist in Charlottesville, Staunton, Fredericksburg, Roanoke, Norfolk, and the northern Virginia area.

(U//FOUO) On 23 August 2011, the hacktivist collective group 'Anonymous' released a video pledging support for the Occupy Wall Street protests and encouraged members to participate. In the past, Anonymous has planned cyber intrusion activities or distributed denial of service (DDoS) attacks to coincide with other physical protests. This could indicate an intention to

Further distribution without FBI authorization is prohibited. Precautions should be taken to ensure this information is stored and/or destroyed in a manner that precludes unauthorized access.

(U) Warning: This is an information report, not finally evaluated intelligence. It is being shared for informational purposes but has not been fully evaluated, integrated with other information, interpreted, or analyzed. Receiving agencies are cautioned not to take actions based solely on this raw reporting unless the information is independently verified. A presumption of innocence still exists for any person being reported on in this report.

conduct cyber attacks in conjunction with the various Occupy Wall Street protests, to include the Occupy Richmond protest. According to open source reporting, Anonymous planned to release a new DDoS tool to the public called RefRef in September 2011. Anonymous successfully tested this tool by performing attacks on WikiLeaks, Pastebin, and 4chan.org. Since the current protests are focused on the financial sector, if a cyber attack were to occur, financial institutions could be targeted.<sup>3</sup>

(U) The city of Richmond has a historically strong finance and insurance sector with a multitude of brokerage firms, investment banking firms, and venture and equity firms located in the area. The city of Richmond is home to the main corporate offices of six Fortune 500 companies and 14 Fortune 1000 companies. Additionally, many banks and Fortune 500 companies have a large presence in the wider Richmond area. These entities could be considered high value targets for financial, cyber related attacks.

(U) According to reporting, there are no known planned acts of violence for the 15 October 2011 rally in Richmond, Virginia. Although the Occupy Wall Street protests are largely peaceful, there have been reports of violence and arrests in various rallies across the nation. On 2 October 2011, more than 700 Occupy Wall Street protestors were arrested during a march on the Brooklyn Bridge.<sup>4</sup> On 11 October 2011, approximately 100 Occupy Boston protestors were arrested for moving into an area outside the designated space.<sup>5</sup>

(U) This information is being provided for situational awareness. It is requested that any positive intelligence related to similar or emerging trends, tactics or schemes occurring in Virginia be forwarded to FBI Richmond and the Virginia Fusion Center (VFC).

(U) This report has been prepared by the Richmond Division of the FBI. Comments and queries may be addressed to the Richmond Field Intelligence Group at 804-261-1044.
